Ang Pagsibol, ang aking obra ay sumasalamin sa mga unang hakbang ng isang tao tungo sa buhay na kanyang tatahakin. Ito rin ang magsisilbing pundasyon ng isang tao Tungo sa kanyang mga pangarap. Kaya habang tayo ay pasibol palang sa ating mga ninanais na mga buhay tayo ay bumuo na ng isang matibay na pundasyon upang tayo ay maging mas matibay, inspirado at may kakayanang abutin ang lahat ng ating mga pangarap!

In the Marawi Battle, families typically take their separate ways. Mothers relocate their small children to locations where they will be safer as they wait for their AMA to return to them and calm them through this traumatic Marawi war. Mothers will keep an eye on their children during this battle and try to lessen their suffering while waiting for their Ama to return for them... "ASAAN KA NA AMA"

I've always loved the rich culture of our country, more so deep in the richness of Mindanao, when the theme was given to me for this exhibition, I just had to do an old sketch I had of habal-habal . I would love to see a different way and unique transportation vehicle put into painting with a family riding on it.
